EDUCATION

MSc in Cybersecurity

University of Alcalá (EPS-UAH)

Sept 2026 – Jul 2027 Madrid, Spain

- In-person program: cryptography, secure systems, forensics & pentesting.

BSc in Computer Science

University of Ljubljana (FRI-UL)

Sept 2025 – Jul 2026 Ljubljana, Slovenia

- Erasmus exchange, coursework in CS and cybersecurity.

BSc in Digital and Multimedia Technology

Polytechnic University of Valencia (ETSIT-UPV)

Sept 2022 – Jul 2026 Valencia, Spain

- Programming, networks, security & audiovisual technologies.
- Poliwood, TomaUno and ACM UPV Chapter member; Erasmus mentor.

EXPERIENCE

IT Support Technician

Polytechnic University of Valencia

Sept 2024 – Jun 2025

- OS, networking and hardware/software troubleshooting; classroom & lab setup.

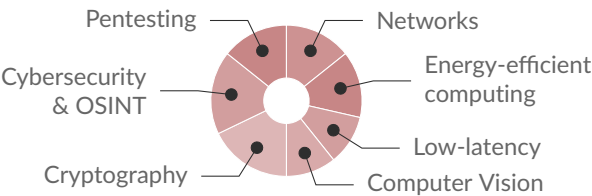

Corporate Banking Analyst

Banco Sabadell

Jul–Aug 2024, 2025 & 2026

- Managed financial operations for large enterprise clients under strict security protocols.

ACADEMIC INTERESTS

MOST PROUD OF

Best academic record award

Highest academic performance across the full degree cohort at Polytechnic University of Valencia

Average grade 9.83/10 (Erasmus, University of Ljubljana)

Erasmus+ exchange program

ARA Mention (High Academic Performance)

At Polytechnic University of Valencia

SKILLS

RESEARCH

Computational & Energy Analysis of Object Detection Algorithms in V2X Communications

BSc Thesis · Advisor: J.M. Giménez Guzmán

Jul 2026

- Evaluated object detection algorithms for V2X collective perception using the KITTI dataset.
- Benchmarked computational cost, latency and energy efficiency trade-offs.

E2E-StreamCarbon: Measuring the Carbon Footprint of Video Streaming

ICT4S 2026 · Bern, Switzerland

Jun 2026

- End-to-end CO₂ measurement framework across transcoding, network and playback. AV1 identified as most sustainable codec overall.
- Chrome extension overlaying real-time emissions on YouTube.
